

Yellow Flag: Caution

There is a hazard on the track that could hamper the racing surface. A racer may be down, proceed with caution.
No passing in this area.

Checkered Flag: End Of The Race

Signals the end of the race or a practice session. Proceed to the pits.

Black Flag: Safety Hazard

Indicates a safety hazard on a bike or a rider has committed an infraction. You must pull into pit lane and stop at the starter stand to talk to the Race Director. A number may be displayed at the same time to communicate to the rider who caused the infraction or problem.

White Flag: Final Lap

Displayed to indicate the final lap of a race.

Green Flag: Start Of A Race

Indicates the start of a race or practice session or to restart a race after a red flag or precautionary condition on track. Also Indicates no hazards on the track continue racing.

Red Flag: Race Will Stop

Race will stop immediately due to a hazard or problem on the track. Stop on the track where ever you may be. Wait for a sign from the starter or race director to proceed back to pit lane to see if race will be restarted or will be deemed a complete race.

Blue Flag: Hold Your Racing Line

Indicates a faster rider is coming up behind you or a group of riders is coming up rapidly. Hold your racing line! It is the racer(s) approaching you from behind responsibility to pass cleanly and safely. Failure to yield the fast racing line or allow a faster rider to pass will result in a black flag.

Green & White Flag: Half way point

Indicates that the race is at the half way point.
